Milwaukee® Reaches New Heights with Telescoping Pole Saw

MILWAUKEE, WI – Continuing with their dedication to the professional tree service industry, Milwaukee Tool announces the new M18 FUEL™ Telescoping Pole Saw. Designed with a user-demanded feature set, this battery-operated pole saw is faster than 36cc gas and delivers the power to cut hardwoods while eliminating the headaches associated with gas.

“Milwaukee’s commitment to the tree service professional continues to fuel our drive to disrupt and innovate in this space,” explains Tony Buxton, Director of Product Marketing for Milwaukee Tool. “Working on the ground with industry professionals across the country, we have seen the compromises in power, efficiency, and safety commonly made with pole saws in order to get the job done. With the development and introduction of our M18 FUEL™ Telescoping Pole Saw, we are eliminating the trade-offs, providing professionals with increased productivity and efficiency on the job without compromise.”

Driving cut speeds up to 30% faster than the leading gas competitor, the new M18 FUEL™ Telescoping Pole Saw is the fastest cutting pole saw in the industry. Utilizing the power of FUEL™ technology, the saw reaches full throttle under one second, increasing productivity for professionals on the job.

With a POWERSTATE™ Brushless Motor, this battery-powered pole saw maintains speed under heavy loads, delivering up to 2.35 HP of peak power. While many competitive solutions can bog down during difficult applications, such as cutting through thick hardwood branches, the M18 FUEL™ Telescoping Pole Saw provides the speed and torque requirements demanded by professionals, increasing productivity and efficiency on the job. Additionally, this pole saw offers users industry-leading performance while eliminating gas headaches such as high noise levels, pull starts, emissions, and regular engine maintenance.

Milwaukee is committed to improving productivity by providing performance-driven and trade-focused solutions so users can perform an entire day's work on one battery system. The M18 FUEL™ Telescoping Pole Saw is fully compatible with the entire M18™ line, now offering more than 250 power tool solutions.

**M18 FUEL™ is engineered for the most demanding tradesmen in the world. Delivering unrivaled performance, all M18 FUEL™ products feature three Milwaukee®-exclusive innovations—The POWERSTATE™ Brushless Motor, REDLITHIUM™ Battery Pack, and REDLINK PLUS™ Intelligence Hardware and Software—that deliver unmatched power, run-time, and durability on the jobsite. Simply put, M18 FUEL™ tools are the most powerful 18V cordless tools in their class.*

Specifications

M18 FUEL™ Telescoping Pole Saw 3013-20 (\$599)

- RPM: 0 – 13,500
- Chain Speed: 25.4 m/s
- Peak Power: 2.35 HP
- Peak Torque: 1.9 Nm
- Length: 9' - 13'
- Bar Length: 10"
- Chain Gauge: 0.043"
- Chain Pitch: 0.325" Low Profile™
- Weight (Tool-Only): 16 lbs

Includes: (1) M18 FUEL™ Telescoping Pole Saw, (1) 10" Telescoping Pole Saw Guide Bar, (1) 10" Telescoping Pole Saw Chain, (1) Srench, and (1) Shoulder Strap

M18 FUEL™ Telescoping Pole Saw Kit 3013-21 (\$799)

- RPM: 0 – 13,500
- Chain Speed: 25.4 m/s
- Peak Power: 2.35 HP
- Peak Torque: 1.9 Nm
- Length: 9' - 13'
- Bar Length: 10"
- Chain Gauge: 0.043"
- Chain Pitch: 0.325" Low Profile™
- Weight w/ Battery: 19.4 lbs

Includes: (1) M18 FUEL™ Telescoping Pole Saw, (1) M18™ REDLITHIUM™ HIGH OUTPUT™ HD12.0 Battery Pack, (1) M18™ & M12™ Rapid Charger (1) 10" Telescoping Pole Saw Guide Bar, (1) 10" Telescoping Pole Saw Chain, (1) Srench, and (1) Shoulder Strap

About Milwaukee Tool

Milwaukee Tool, founded in 1924, is a global leader in delivering innovative solutions to the professional construction trades that increase productivity and safety. Milwaukee® is known for their world-leading [M12™](#), [M18™](#), and [MX FUEL™](#) cordless systems, the ground-breaking performance of their cordless innovations, safety solutions, battery-powered [outdoor power equipment](#), [jobsite lighting](#) and clean-up, time-saving tool [accessories](#), and innovative hand tool and [PACKOUT™ Modular Storage products](#). The company is dedicated to delivering a steady stream of advanced, trade-specific solutions.

Milwaukee Tool is a Brookfield, Wisconsin-based subsidiary of Techtronic Industries Co. Ltd. (TTI) (HKEx stock code: 669, ADR symbol: TTNDY). For more information on the full line of Milwaukee® products, please call 1-800-SAWDUST or visit www.milwaukeetool.com.
